Professional Profile

Highly organised professional with international experience across event coordination, client support, hospitality and operations within fast-paced customer-facing environments.

Experienced in logistics coordination, delegate support, scheduling and personalised client experiences, with a strong ability to adapt quickly and manage multiple priorities independently.

Experience

Freelance Event & Client Coordinator

Self-employed | Spain

2021 – Present

- Coordinated personalised private events and client experiences from concept to execution
- Managed international travel and event proposals for private clients, including accommodation, activities, transfers and logistics
- Developed tailored proposals based on client preferences, budgets and destination research
- Coordinated suppliers, materials and event-related services
- Managed direct communication with clients throughout the planning process
- Organised venue setup, decoration and event styling
- Created invitations, stationery and personalised visual materials using Canva and Adobe tools
- Managed budgets, timelines and administrative event tasks independently

Private Family Support Assistant

Private Families | London, UK

2019 – 2024

- Managed daily schedules, school logistics and extracurricular activities within private households
- Coordinated routines, appointments, activities and holiday planning
- Maintained calendars, organisation and day-to-day logistical support in busy family environments
- Assisted with communication, problem solving and flexible planning
- Supported children's educational and language development in Spanish
- Developed strong multitasking, adaptability and organisational skills within high-responsibility environments
- Worked independently while maintaining professionalism, discretion and reliability

Hospitality Assistant / Waitress

Restaurants & Events | Spain

2012 – 2025

- Delivered customer service in fast-paced hospitality and event environments
- Managed food and beverage service during high-volume periods
- Worked efficiently under pressure while maintaining professional customer interaction
- Assisted international customers using English communication skills
- Collaborated effectively within team-based service environments
